Exit / Extension

We plan to follow Indonesian immigration rules for exiting and extending. If an exit/extension is needed for visa rules, we will comply with all exit/extension regulations and keep outward flight bookings as proof when requested.

Personal Intent & Declaration

The primary purpose of our travel is tourism and cultural exploration across Bali and Lombok. We will not undertake any paid employment, business activities, or public speaking engagements during our stay. We will comply fully with Indonesian immigration regulations, attend any required immigration appointments, and present any documentation required for a visa extension.
